

## Buy Golden Rod Gas and Oil from Pollard Oil Co., and You are Sure of the Best

### FISHY FRAZES

We have something coming that is real in RADIO. Don't buy to soon, till you have seen and heard this great machine. It's a five tube machine with a fine cabinet and all you expect of a good machine, and just think only about half the usual price.

Come in and see us before you buy, as you will make money by doing so. Our prices are right give us a chance to show you what we can do.

You don't make any money by sending for tires now so you might as well buy from us as we furnish you with the best of tires. The Miller and Firestone are the two leading makes of tires why not get the two good makes of tires, why not get them at the start and save fooling with the off brand tires.

Give us your business and we will try to serve you to the best of our knowledge.

Yours, JOHN.

### Before You Buy A Radio Will You Purchase a Speculation or an Investment?

WE INVITE COMPARISON.

Try out any set you choose—then try out the THOMPSON NEUTRODYNE or FREDEISEMAN. They sell on merit—you alone to judge.

I will arrange for a demonstration in your home at your convenience.

### Community Club Banquet Gives Inspiring Start

85 plates were sold for the Community Club Banquet last Tuesday night. There was a very good attendance and a good program was rendered for their evening entertainment.

There is much to be done for the improvement and welfare of our town and a live working community club can be a great benefactor for our development.

The Ladies of the Congregational Church served in a most delightful fashion.

### PURCHASES FORD GARAGE AT ST. PAUL

(Republican)

The deal was closed Monday whereby Clarence Rose of this city purchased from H. F. Lee the Ford Garage at St. Paul and is now in charge. Mr. Rose has had extensive experience as a Ford salesman and has been desirous for some time of securing an agency. Mr. and Mrs. Rose will establish their home in St. Paul in the very near future, and their friends here are confident of their success in their new venture.

People of Clarks and vicinity are pleased to read and hear of the success of former residents in their business ventures. Clarence is a worthy young man and St. Paul gains a good citizen.

### How Is Your Subscription?

At the beginning of the year 1926 we have concluded to send out statements to those in arrear on subscription to The Enterprise. It is a practical custom to pay subscription in advance and these notices provide the information to you of the amount necessary for the advancement of your subscription to the date indicated. A prompt remittance from you will be greatly appreciated and will help us in the payment of our bills and other people who need their money.

### On Front Page in War They Make News Now

What's going on among the Legionnaires?

This question is answered fully each week in the department known as the American Legion, a continuous and regular feature carried exclusively by the Enterprise in this territory.

By following it regularly, Legionnaires are keeping in close touch with the activities of their former buddies, for now everything pertaining to the Legion is news and possesses the keenest interest, not only for the great body of men enrolled in the organization, but for the host of relatives and friends as well as the general public.

With more than 2,000,000 former service men engaged in all sorts of activities throughout the country, this great organization is the source of a never-ending flow of news. To collect and distribute this news, the national headquarters maintains a central office, which sends out the material for our weekly report of Legion happenings.

Few groups in America produce as much live news as this vast organization whose influence is being felt more and more throughout the nation. This means that such news is of interest not only to Legion members, but also to a majority of the entire population.

This is why the Enterprise is running this department as a regular feature. Read it today and keep in touch with the activities of more than 2,000,000 former service men.

### NORTH ROAD vs. SOUTH ROAD

The past week most every person in Clarks and others interested in our town giving to the outside world a favorable impression as conveyed by the tourist passing upon the highway have been given an opportunity of signing a petition requesting that the present established and improved highway as now located be retained as a matter of convenience and eliminating an unnecessary improvement as would be required to establish the highway on the south side of the U. P. tracks and thus taking the tourist traffic away from the business street and best improved part of the town.

The Enterprise office is prepared to take orders for duplicate sales, counter tablets as used by most of the business houses in town and when in need of more we shall appreciate the opportunity of quoting you a price on any quantity.
